3rd Quarter General Membership Meeting, September 25, 2025. 8:20pm-8:29pm
Vice President Dick Prosser conducted the meeting:

Just a brief recap of club finances, membership and activities for the balance of the year.

Finances: I would assess our condition as "stable". Checking account balance at the end of 3rd quarter is $9,182.00. Generally, our larger functions/events result in a breakeven and our weekly dances generally result in a net loss to the club. While the Club charges dues and weekly dance entrance fees as our primary source of revenue, we are subject to typical annual expenses: Association of Caroline Shag Clubs (ASCS), website fees, social media fees, liability insurance, venue rentals and while many members volunteer items used in our events there are some food and supply costs that the Club absorbs.

Membership: Current membership is 105, with 89 active. Membership is key to club growth and we encourage every member to be an ambassador for the club and the dance itself. We have used Facebook, local events, Thursday theme dances and word of mouth to advance membership. The Board would welcome any and all input on any ways to grow the club. Please feel free to contact any Board member with ideas.
I would also encourage membership to invite guests to our Sunday Socials, monthly Winery Visits as well as our Thursday Dances.

Linda and Dave do a great job scheduling monthly winery visits and we will continue with our Sunday Socials in 2026.

General: Linda Zerden has graciously agreed to serve as Chair of the Club Audit Committee and is currently conducting an audit of our 2023 and 2024 books.
Kevin Goeller has graciously agreed to serve as the Club Nomination and Elections Committee Chair for this year. (Little did these two know it was a lifetime commitment.)
We presently have vacancies for Club committees: Charity and Fundraising Committee Chair and Social and Hospitality Committee Chair and welcome volunteers for these positions.

During the 4th quarter Kevin be will asking for Board candidates. If you value the health of our club and want to contribute to its growth and direction please consider stepping up as a candidate for a Board office or committee chair. However, there is a necessary disclosure, Board Members are not paid, authorized company cars, or exempt from paying any entrance fees – for those running for office, any campaign expenses, travel media expenses, etc., will not be reimbursed.

Upcoming events:
Club picnic on October 4th (rain date October 5th) at Kathy and Loren's home.
Club Annual wine auction on October 19th at Trish and Kevin's home.
Adopt a Highway clean-up event October 22nd contact Dick Prosser if interested in participating.
